

Before we start!

In this webinar we will be viewing a short video. Please make sure your computer is not muted and that your volume is up.

Show Logistics:

From Set Up to Tear Down

Hosted By Mary P. Medawar

Welcome

Goals for Today's Webinar

- Overview of the Logistics area of tse.nacds.org
- Specialty Space Requirements
- Review the Freeman Exhibitor Service Manual
- Brief Video
- Q&A and Important Dates

Resources for Exhibitors

- Where to find the logistics information
- Exhibitor Checklist
- Service Manual (website and PDF)
- EAC and Targeted Floor Plan
- Turnkey Solutions

Island Space Requirements

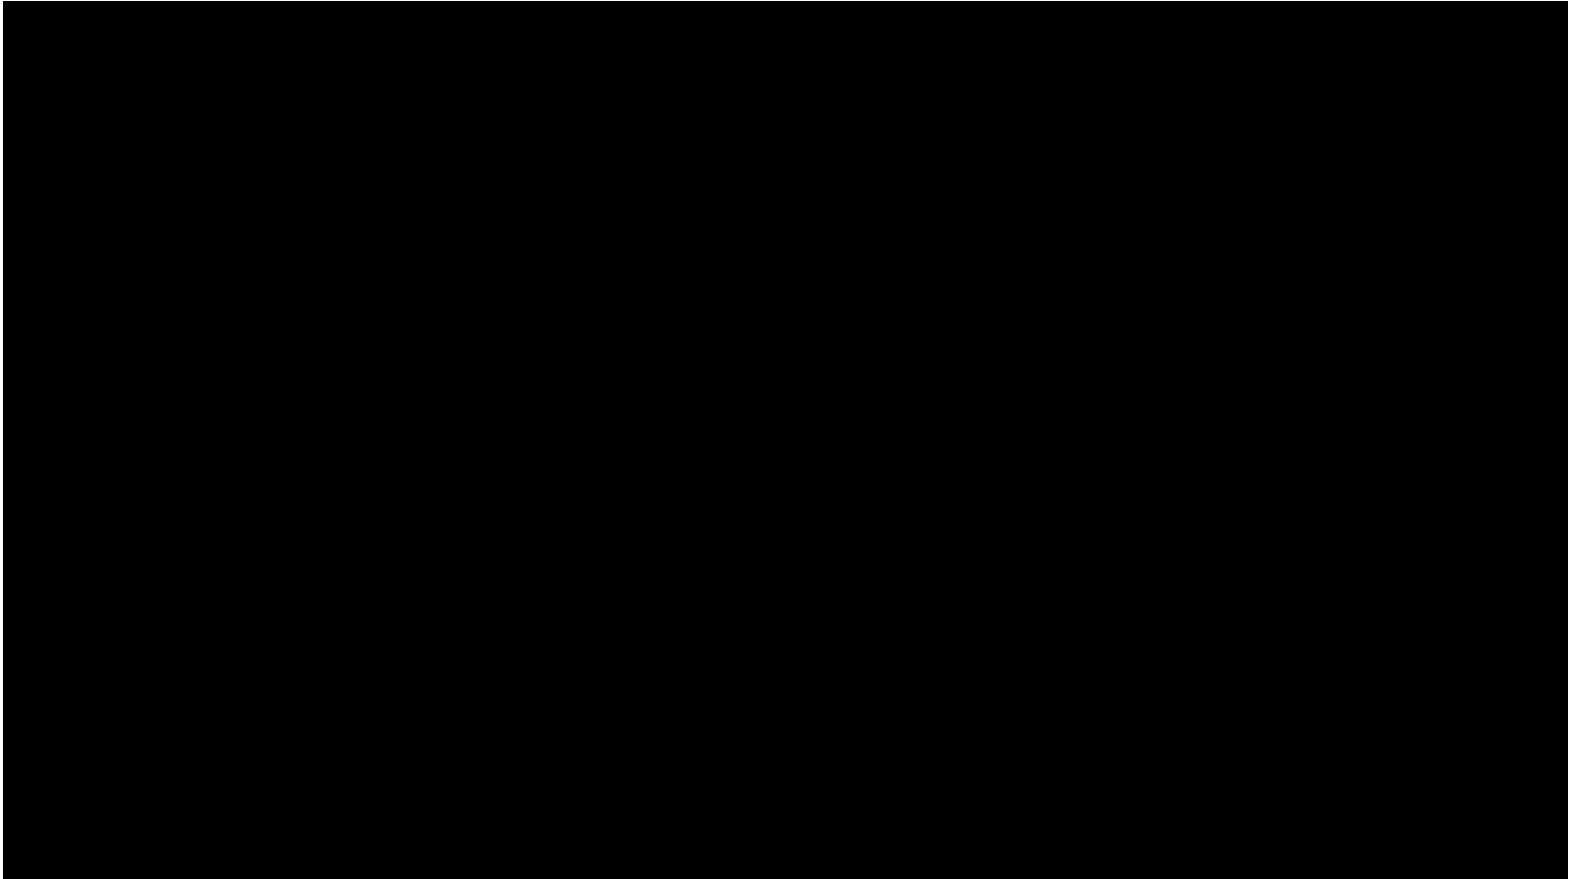

ISLAND BOOTHS: Height: Island booths (20x20 or larger) have no height restrictions other than the limitations of the facility.

Solid Walls: Solid walls along and near the perimeter of island booths must be finished in company branding or graphics, or signage to aid navigation on the exhibit floor. Graphics must cover a minimum of 50% of the wall on each side of the booth.

Special Approvals: NACDS approval is required in the following circumstances: • Two story/ double-decker islands— island booths occupying more than one level. • Overhead hanging signs or anything else hung from a booth or the exhibit hall ceiling. DUE by July1st!

Private Meeting Space Graphics

Important Dates
